

HIGHLIGHTS OF THE SEPTEMBER 2012 BOARD MEETING

- *Association Sunday, with Starhawk, November 17 – 18, 2012, Host Congregation, First Unitarian Universalist Church of Berks County.*
- A donation collection for the farewell gift given to Rev. Kate will be asked for again in the near future; cost \$360, donations to date \$23.
- All of the books that were held in the church office have been moved to the new space downstairs, the Library/Reading Room. The bookshelves have been installed.
- Expanded bookshelves have been added to Kids Corner, providing more needed storage space.
- The new audio speakers have been installed. The brackets to hold them above the floor are on order. Once the brackets have arrived they will be installed and the speakers will be raised up on the wall to make room for a banister to be placed at each side the raised area.
- After the speakers are placed on the wall, banisters will be added to either side of the raise area making easier access to those who need assistance with stairs.
- A Safe Church Policy is being prepared. This process will include a Safe Church educational program to be presented to the members.
- The Public Relations Task Force presented a draft of their Mission Statement, as well as a draft of modifications that need to be made to the sign on the front of the church. They have also drafted a business card for church use.
- The Music Committee has plans for use of the organ located in the rear of the Sanctuary.
