UUG Fall Program Meeting
Board Report

We are grateful for the service of our ministers, Rev Phyllis Hubbell and Rev John Manwell.

We are grateful for the devotion of our church family and the hours of love and commitment they give to this church.

The board met in September for a 2 hour planning meeting to set some short and long term goals based on needs seen

Short term –

Consider a spirituality class

Update/revise the 2015 by laws

Long term-

Share w the church what members are doing for social justice in the community

Discuss need for finance committee and outside auditor

Use the UUA resources- ie Chalice Grants for help w ½ time minister and webinar series

Discuss PT RE staff person

NEW Auction coordinators and/or other fund raisers

Our church has been asked to host the UUA gathering for small UU congregations in MD, DE, NJ and PA in the spring of 2020. We have accepted to be the host church. We only need to supply the church. All other needs will be supplied by the UUA.

We are aware that our church is small. We appreciate the suggestions made at the end of the meeting to enlarge and attract more YOUNG people /families.
